4) Subd. The donor has offered the amount on certain conditions, the chief among them being —

(i) the ward should bear the inscription "Constructed in memory of Holiappa Mahadevappa Dallapa by his son Iswarappa Holappa Dallapa"

(ii) 4 out of 12 new beds be reserved for patients of the Dharwar District, etc.;

5) The Senior Surgeon in para 3 of his letter says that the amount which with interest has come to Rs 5024 may be utilised for the construction of a new ward for conducting 4 labour cases at a cost of Rs 5788 & setting free the 12 thatched sheds now used as labour wards. It is not known whether the donor would agree to these arrangements

6) It is also a point for orders as to whether the inscription referred to may be permitted to be made on the ward & if so where it may be inscribed, whether on the new labour ward to be constructed or on the wards to be relieved,

7) Subd for orders with the unofficial opinion of the Assistant Chief Engineer for Roads & Buildings.

Letter No.510 dated 30th June 1923 from the Executive ---- Engineer, Bangalore Division, to the Chief Engineer of Mysore for Roads and Buildings, Bangalore.

Constructing a ward for labours in the compound of the Maternity Hospital, Bangalore.

With reference to your No.B.6434 dated 15th instant forwarding a copy of the Government Proceedings No.L.7811-13/Med.22-22- dated 31st May 1923 and a letter from the Lady Medical Officer in charge of the Maternity Hospital, I have the honour to ----- resubmit herewith, for favour of disposal, a fresh plan and --- estimate corrected to Rs. 7,600/- after providing for all the item asked for by the Lady Medical Officer.

The plan and estimate originally countersigned by the ----- Senior Surgeon are also herewith returned along with the site -- plan and the report.

3. In para 1 of the Government Order referred to above, the -- conditions specified by the Donor are accepted. One of these is that 4 out of 12 new beds are to be reserved for patients of Dharwar Districts, etc. But in the design now prepared and --- countersigned by the Senior Surgeon only 4 beds are shown and -- not 12. This would mean that all the whole block is to be ---- reserved for the Dharwar District people. The cost for these - 4 beds exceeds the amount of donation by 50 per cent and it is a matter for consideration whether a building of this kind should be built partly at Government expense for the sole benefit of -- non-Mysoreans. The Senior Surgeon may therefore be consulted whether he can arrange to have more beds in this space.

MYSORE GOVERNMENT,
Dated Bangalore, the 24th July 192 2.

4990-22

REVENUE & JUDICIAL SECRETARIAT. 25 JUL 1922 LOCAL SELF GOVT. BRANCH.

FROM

The Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

25 JUL 1922

To

The Secretary to Government,
Revenue Department,
BANGALORE.

SIR,

I have the honour to state that the necessity of constructing a Maternity Hospital, in Bangalore, on up-to-date lines, with necessary residential quarters and other attached buildings was recognised by Government in the Administrative Department in their letter No.2529-Med.123-14-2, dated, 25th September 1915. But no attempts could be made till now to actually start the work and there does not seem to be any likelihood of the scheme being realised within the next 10 or 15 years.

2. The present maternity is, however, growing in popularity and the demand for accommodation is increasing in propertion, in spite of the fact that the buildings are antiquated. Luckily, I have been able to secure a donation of Rs.5,000/- from the husband of a grateful patient of the institution, for the construction of a ward on the following conditions that

(1) The ward should bear the inscription "constructed in memory of Holiappa Madivalappa Bulla by his son Iswarappa Holiappa Bulla".

(2) 4 out of the 12 new beds be reserved for patients of the Dharwar District, preference being given to those holding letters of recommendation from

from the Donor or his nominees.

(3) that kitchen accommodation be also made available to such patients.

(4) provided that when patients belonging to the Dharwar District are not present, the beds could be used for other patients irrespective of their nativity.

3. The amount has been already paid into the Mysore Bank as a Current Deposit in the name of the Senior Surgeon and with interest upto 30th June 1922 has come to Rs.5024/- odd. As this is not enough for a ward of 12 beds, I propose having a new labor-ward built behind the central or administrative block and to set free the rooms now used as labor wards in the European and Indian blocks, each of which can accommodate about 6 beds.

4. The Executive Engineer, Bangalore Division, has, at my instance, prepared a plan of a labor-ward capable of allowing 4 labour cases to be conducted simultaneously, the estimate of which amounts to Rs.5,788/-. The plan and estimate have been countersigned by me in token of my approval.

5. I request that Government may be pleased to sanction the acceptance of the donation on the conditions referred to above, and the construction of the labor-ward as per plan and estimate enclosed, the Chief Engineer being at the same time instructed to find the deficiency from the funds at his disposal.

I request the favour of early orders.

I have the honour to be,
Sir,
Your most obedient servant,

B.V.A.

med n-n-3.

Sir,

With reference to your letter No. L.5072 Med. dated 5th January 1924 re. the construction of a New Labour Ward in the compound of the Maternity at Bangalore, I have the honour to state that the plan and estimate for the purpose were returned duly countersigned to the Chief Engineer of Mysore for Roads and Buildings, on the 10th instant for needful action.

I may add that the estimate which originally amounted to Rs.6,600/- went up to Rs.7,350/- on revision in the office of the Chief Engineer. The Donor was therefore approached for an equivalent enhancement of his donation. But no reply has been received till now. Hence the delay. The excess over the donation will therefore have to be met by the Public Works Department.

I have the honour to be,

S i r,

Your most obedient servant,

Senior Surgeon.

Secretary to Government, P.W.Department.

To

J.Bhore, Esq., A.M.I.C.E.,

Chief Engineer of Mysore, Bangalore.

Sir,

With reference to letter No.510 dated the 30th June 1923 from the Executive Engineer, Bangalore Division, I am directed to convey sanction to the estimate amounting to Rs 7,350 for the construction of a Labour Ward in the compound of the - - Maternity Hospital at Bangalore and to state that necessary arrangements should be made to put the work in hand immediately utilising the sum of Rs 5,000 contributed by the donor towards the construction of the Ward. The balance required to complete the work, viz., Rs 2,000 should be provided in the P.W.D.Budget for the year 1924-25.

Government are pleased to sanction, as a special case, the waiving of the usual Establishment and Tools and Plant charges for the work and direct that estimates for the other works of improvements to the hospital referred to in the - - - Dewan's inspection notes on the building should be got prepared without delay.

I have the honour to be,
Sir,
Your most obedient servant,
